YOUR PROGRAM OUTCOMES

- Build your repertoire of teaching knowledge and get paid practical experience
 - Develop your leadership skills in Asia's most exciting destination
- Create a standout resume demonstrating cultural awareness, global thinking and adaptability
 - Discover China in the most intimate way possible

THE PACKAGE

In addition to a generous salary, we also provide airfares, airport pickup upon arrival to your host city, accommodation, sponsored visa, resident permit, health insurance, physical examination, Mandarin (Chinese lessons), and an invitation to all social and cultural and tourism events hosted by CYI China.

ABOUT THE PROGRAM

The Chinese government is offering a unique opportunity for native English speaking teachers who want to contribute to the development of students by teaching English in primary and secondary schools in major centres. Cultural Youth International is one of a few select organisations who can recruit foreign teachers for over 100 partner schools in China. Working in Partnership with CYI, we, at Southern Cross School of Business will manage your career placement to ensure you get the best outcome from this experience.
