# RPL Assessment Method and Description

The Course and assessment is competency based. This means that you will be graded as 'satisfactory' or 'not yet satisfactory' in individual tasks or unit requirements and 'competent' or 'not yet competent' for a unit as a whole. You need to be assessed as 'satisfactory' in all of the aspects of a unit in order to be deemed 'competent' for the unit. If you are graded 'not yet satisfactory' or 'not yet competent' you will be given another opportunity to supply additional evidence or for reassessment and will be provided with specific feedback on areas needing improvement. All students have the right to appeal any assessment decision. See the [Student Handbook](#) for more information on appeals.

All RPL evidence and any required assessment tasks (if needed to address gaps in competency) will be retained by LTI. If you wish to keep a copy of the RPL Guide or gap assessment tasks then make sure to keep a copy for your records.

You must provide clear, concise and reasonable evidence / submissions for all of the requirements (including RPL documents) within a unit. The purpose of the assessment is to see that you:

- can understand and apply knowledge and skills you have learnt
- can demonstrate and communicate understanding, knowledge and skills of unit the content

# Frequently Asked Questions (FAQs)

## WHAT IS RPL?

Recognition of Prior Learning (RPL) is the formal acknowledgment of knowledge and skills obtained through activities such as:

- formal courses and training programs e.g. at University or College
- informal courses or training e.g. in preparation for volunteer work
- private study e.g. done for enjoyment via the internet
- employment e.g. skills and knowledge gained through employment
- life experience e.g. as a result of experience in overseas travel

The term "RPL" is the term used to include or be equivalent to "credit". RPL is "credit" given as a result of past studies, and past or current experience.

RPL can only be given to a person where they have evidence that is:

- Valid - the evidence represents and matches the unit's requirements
- Sufficient - the evidence is enough to show that you are competent in all of the requirements of the unit
- Authentic - it can be verified that the evidence you have submitted is genuinely your own work, qualifications, experience, etc.
- Current - the evidence shows your current ability and how it meets current industry standards

## HOW MUCH RPL CAN I APPLY FOR?

You can claim RPL for as many units as you can provide evidence for. If you submit appropriate evidence for all of the units, and an assessor deems that the evidence does show you are competent, then RPL can be granted for the full [11021NAT - Certificate IV in English Language Teaching \(TESOL\)](#) or [11020NAT - Diploma of English Language Teaching \(TESOL\)](#).

If you are not able to receive full RPL, you will be advised of what 'gap' training and assessment is needed in order for you to receive the full qualification.

## HOW LONG DOES THE RPL PROCESS TAKE?

Generally this will depend on how long it takes for you to gather and provide the evidence, and how easy it is for the assessor to confirm that the evidence is valid, sufficient, authentic and current. It will also depend on how much (if any) gap training is required.

## WHAT SORT OF EVIDENCE DO I NEED?

The evidence you will need to provide will depend on the unit of competency. Some examples of evidence include:

- **Past Studies**
  - copies of qualifications you have received and academic transcripts showing exact subjects or topics
  - actual work you completed for past studies (e.g. essays or assignments)
- **Workplace Documents** produced by you (in paid or voluntary capacity)
  - training session plans and work programs
  - learning materials
  - assessment tools
- **Audio/Video Recordings**
  - E.g. of you teaching or assessing
- **Third Party Reports**
  - references from your employers
  - supervisors' reports
  - student testimonials
  - peer/colleague testimonials
- **Any Other Evidence**
  - E.g. documents from workshops, seminars and conferences

Please refer to the Unit Evidence Records for suggested evidence for different units of competency. Please note: the column on the far right is for assessor use only.

**Important Note:** LTI is obligated to take steps to verify any documents, certificates or evidence submitted for Recognition of Prior Learning (RPL). This may include contacting third parties to verify authenticity of any documents provided.

## HOW DO I ENROL?

You can enrol online. Generally a person seeking RPL enrolls via distance education, however you can also enrol in one of the class locations (if partial RPL). [Click to enrol online.](#)

## HOW DO I APPLY FOR RPL?

1. [Enrol in the Course.](#)
2. Read and complete the RPL Guide (this document).
3. Gather any applicable documents and evidence of your prior learning.
4. Send it to LTI for assessing.

## WHAT HAPPENS AFTER I SEND IN MY INITIAL RPL APPLICATION?

1. An assessor will do an initial assessment of your evidence and if needed will contact you to discuss your submission. *Please note that the process of assessing your evidence provided, verifying its authenticity, speaking to supervisors or referee's, etc. can take a number of weeks.*

2. Your assessor will keep you informed throughout the process and will let you know of the level of RPL you are likely to receive, what gap training is required (if any). They will then check if you are happy to proceed with the course.
3. If you are happy to proceed you will need to either pay your course fees upfront or agree to a payment plan.
4. You will then be given access to online TESOL resources and will be formally assessed. At this stage, you may be required to supply additional documentation or complete gap training.
5. Once you have been assessed as competent in all of the units, you will be sent your nationally accredited [11021NAT - Certificate IV in English Language Teaching \(TESOL\)](#) or [11020NAT - Diploma of English Language Teaching \(TESOL\)](#) Certificate and Competency Transcripts.

### **CAN I FIND OUT HOW MANY UNITS I CAN GET BEFORE I ENROL?**

The best way to find out how many units you can get RPL for is to read through the RPL Guide and have a look at the examples of evidence section and the 'Evidence of the following to be collected:' column for each unit. This will give you an idea of the existing skills or knowledge that you need to have and what sort of evidence you'll need to be able to produce/collect.

If you find that there are a lot of units that you don't have the experience or evidence for, you may want to look at doing the course via distance education or in one of our class locations.

If you would like to discuss Recognition of Prior Learning, please [contact us](#).
